7. Purpose / aim / objective and outcome of the event:
 - Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of healthy living. The word 'Yoga' is derived from the Sanskrit root 'Yuj', meaning 'to join' or 'to yoke' or 'to unite'. As per Yogic scriptures the practice of Yoga leads to the union of individual consciousness with that of the Universal Consciousness, indicating a perfect harmony between the mind and body, Man & Nature. According to modern scientists, everything in the universe is just a manifestation of the same quantum firmament. One who experiences this oneness of existence is said to be in yoga, and is termed as a yogi, having attained to a state of freedom referred to as mukti, nirvana or moksha. Thus the aim of Yoga is Self-realization, to overcome all kinds of sufferings leading to 'the state of liberation' (Moksha) or 'freedom' (Kaivalya). Living with freedom in all walks of life, health and harmony shall be the main objectives of Yoga practice."

 - Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home from 13th-15th August 2022. Our relationship with the flag has always been more formal and institutional rather than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.
 - This initiative is especially focused on engaging the youth of the country, to inspire them to take a moment to reflect and pay tribute to those who sacrificed their lives, so that their future generations could grow up in a country that was free.

➤ A guard of honour is a display of respect that is usually reserved for the winner. A guard of honour (GB), also honor guard (US), also ceremonial guard, is a group of people, usually military in nature, appointed to receive or guard a head of state or other dignitaries, the fallen in war, or to attend at state ceremonials, especially funerals. In military weddings, especially those of commissioned officers, guards, composed usually of service members of the same branch, form the sabre arch. In principle, any military unit could act as a guard of honour. However, in some countries certain units are specially designated to serve as a guard of honour, as well as other public duties. Guards of honour also serve in the civilian world for fallen police officers and other civil servants.
